To enter certain areas of the sports facility, all persons must have accreditation.
The organising committee will issue accreditations after registration and payment of the fees.

**Accommodation**
National delegations are responsible for their own accommodation.
The Organising Committee has reserved accommodation for athletes, officials and guests at Jõulumäe Health Sports Centre (Homepage - Jõulumäe Tervisespordikeskus SA ), one of Estonia's leading sports and recreation facilities, located approximately 15 minutes from the competition venue.
To receive an accommodation offer, national federations and delegations are kindly requested to inform the Organising Committee of:
the number of persons requiring accommodation;
arrival and departure dates;
room preferences (single, twin, or multiple occupancy);
meal requirements (breakfast, half board, or full board).
Based on the information provided, the Organising Committee will prepare and send an individual accommodation offer together with the corresponding invoice.
Please submit accommodation requests as early as possible to ensure availability.

**Transportation**
Delegations are responsible for all transportation.

**Customs formalities**
Basically, it should not be a problem to enter Estonia with a crossbow. Crossbow is a sports-equipment and not a weapon. We recommend checking with the airline before booking flights, as well as when transiting through other countries.

With our best regards,
Ain Järvesaar
Secretary General of the Estonian Crossbow Union
